

Project: Historic Sandy Community Center

Recipient: City of Sandy

Location: Sandy, Utah

Purpose: Funding for this project will be used to remodel the current Historic Community Center/Boys and Girls Club located in the Historic area of Sandy. The funding for the reconstruction and rehabilitation of the Historic Sandy Community Center will provide the communities with necessary resources to address a wide range of unique community development needs, providing needed services and support for middle and low income communities. Additionally, the building is one of the few remaining non-residential structures that represent the history of the city.

Amount: \$950,000
